During my employment I have had a variety of work experience including the following:

- Formulate a S.M.A.R.T plan to then discuss and implement based on the individuals skills.
- Consistently hit targets and achieve goals within a set time frame.
- Design and execution of sales strategies over a mapped territory.
- Training my peers in techniques to achieve better results in their own work
- Presenting Information in a clear and concise manner to my teammates.
- Communicate regularly with my colleagues on the issues and current tasks they face daily.
- General office duties, bookkeeping, registrations and filing
- Stage & Production Management: duties included a variety of activities, including organizing, budgeting the production and coordinating communications between various personnel.

## INTERESTS

I have always had aspirations of becoming a pilot. My goal is to achieve the required number of hours in order to sit my privates pilots licensing exam

Music, Art and Film have always been great passions of mine. I have been involved in many amateur projects over the years. I enjoy writing plays, poetry and songs. I am a solo artist and song writer who has been playing the Guitar for five years and the Saxophone for two years.
